Good morning, boys and girls! I'm very glad to see you. Today we have an unusual lesson because my English friend Bella invites you to visit one of the most beautiful cities in the world. Answer my question: «What can you associate when you hear the word “London”?» Of course it is the capital of Great Britain. But before we start our travelling let's read and translate the poem.

**Poem “Enjoy travelling”**

We travel, go and go  
By train, by ship, by car  
We always want to know  
What's near and what's far

If you want to be in a good mood.  
You don't travel by car, go on foot.  
If you want to go far away.  
Don't travel by bus, travel by plane.

In the South, in the West  
Travelling around the world is the best.

**Westminster Abbey** is a symbol of English tradition at its best. The coronations of nearly all English kings and queens since William the Conqueror have taken place here. Among the many memorials to famous men within the Cathedral are the tombs of Wellington, victor of Waterloo, and Nelson, hero of Trafalgar.

This is **Tower Bridge**. It was built in 1894. It is next to the Tower of London. It is one of the famous bridges across the Thames. It's the only bridge across the Thames which can be lifted. It opens and ships go up and down the river Thames.

The tower of **Big Ben** is a symbol of London and Britain. The famous clock Big Ben stands near the Houses of Parliament. Big Ben is really a bell. You can hear it every hour. It is a big bell. It weighs about 14000 kilograms. It has a deep tone and you can hear it on the radio.
